Warm pastel tones enhance the authentic beauty of the wood, bringing a sense of calm harmony into any interior.

The wide and long plank format doesn't just visually open up the space – it adds elegance, refinement, and a lasting impression. This flooring doesn't overpower the room – it elevates it. It's quiet luxury you don't need to explain – you simply feel it.

**Privilege Waltz** is more than parquet – it's the sophisticated foundation of every truly luxurious interior.
