Oak hardwood floor

Luxury parquet

Choosing new floor is often an important decision. It needs to be convenient for everyday use, and it needs to keep a perfect look for a long time.

We believe that the most important thing is to choose a kind of floor whose appearance suits you and your lifestyle best. The Privilege collection is all about appearance.

This luxury parquet floor will create richness and warmth of the royal floor in your home, comfortable to walk on, durable and with a long service life.

If you are looking for a quality and luxurious floor, Privilege is the right choice for you.

We pay attention and know how important it is to preserve the environment and nature. By implementing the key elements of the circular economy into our processes we have been working hard to study the effects of our production on the environment and people at every phase of the lifecycle.

We are firmly and completely dedicated to the environmental responsibility throughout all the processes, from purchase and using certified forest resources to production and delivering final eco-friendly products to the customers.

Finest oak wood

Two-layer wood floor

Wood is a natural material which lives, breathes, and is special and authentic. Its exquisite structure and irregularities make each board unique.

A long tradition of wood processing combined with the finest wood oak species introduces the Privilege parquet collection to us.

The Privilege prefinished parquet made from large format boards is among the highest quality and most durable on the market.
